

REMARKS

Claims 1-36 are cancelled without prejudice to the Applicants' right to pursue the claimed subject matter in another application. Claims 1-36 have been replaced with new claims 37-74. Claims 37-74 are fully supported by the instant application as filed, as demonstrated in the chart above. Thus, new claims 37-74 do not represent new matter.

In light of the above amendments and remarks, the Applicant respectfully requests that the Examiner consider this application with a view towards early allowance. The Examiner is invited to call the undersigned attorney if a telephone call could help resolve any issues.

Respectfully submitted,

by: Jacqueline Benn
